E-WIRE LIGHT

standing lamp *"UMKHULU"*

STANDING LAMP *"Umkhulu"*

Features
- Attractive & simple
- Unique character for each light
- Various shapes & functions
- Aprox 200 cm high

Environmentally friendly
- Local materials used
- Recycled materials
- Non toxic treatment
- Low energy LED technology

Lighting range
- Mini Desk Lamp - "Umtana"
- Desk Lamp - "Umfowethu"
- *Standing Floor Lamp - Umkhulu*
- Pendant Light - "Phezulu"
- Chandelier - "Imbizo"

COMPONENTS / FUNCTIONALITY

Timber lamp post
- Local alien timber, typically gum
  - Varied lengths of post available
- Moon phase harvesting principles
  - Ancient method of preserving timber
  - Cut when sap is at its lowest i.e. autumn phase just prior to new moon
  - Prevents insects & fungus from infesting the wood
  - Reduced cracking, splitting or warping of wood
  - Longer durability & superior quality
- Non toxic/natural finish
  - Oil by "Enviro-Touch" +27- (0)21- 556 1238

Stainless steel wire
- Highly durable
- No toxic treatment of steel required
  - No primer or coatings needed
- Material efficient i.e. minimal use of steel

Lamp bases
- Recycled car parts e.g. clutch, brake disk etc
  - Cleaned with "Eco-Intelligent" detergent "Go Grease"
  - Non-toxic finish with heated mix of linseed oil, beeswax & turps

Paper shades:
- 3 types of recycled paper (385 x 260mm)
- Triple green (100gr)
  - 50% recycled material
  - 100% chlorine free
  - Locally made
- Reviva (85gr & 105gr)
  - 100% recycled material
  - 100% chlorine free
  - Locally made
- Shades are interchangeble for different effects

Light bulbs:
- Latest LED technology light bulbs from "Pharox"
- Super energy efficient - 90% saving
- High quality light output
- 25 year life span
- Mercury & lead free
- Lighting types available from Eco Design Architects
  - Warm white - 6W - 60W Tungsten equivalent
  - Warm white - 8W - 100W Tungsten equivalent

Functionality
- Light switch
- Cable & 3-pin plug
  - Varied lengths of cable available
  - Colour of cable: black
- Wingnut for adjustment of shade angle
